PREVENTABLE ROAD FATALITIES UP HEADING INTO CANADA ROAD SAFETY WEEK

(NORTHUMBERLAND, ON) — As the Ontario Provincial Police (OPP) looks toward Canada Road Safety Week, it is reporting an increase in road fatalities as well as the leading behaviours linked to the deaths, which are the very focus of the national campaign.

As of May 4, 2020, 71 people have died in fatal collisions on OPP-patrolled roads. This time last year, there were 61 deaths.

While speed is linked to the highest number of fatalities (17 this year), inattentive-related deaths (12) have seen the most significant spike and are up 300 per cent over last year.

All other leading traffic fatality causal factors are up, as are fatal collisions and pedestrian deaths:

OPP traffic data 2020/2019 Change

Number of fatal collisions 63/57 UP 10.5 %

Persons killed 71/61 UP 16.4 %

Speed-related fatalities 17/15 UP 13.3 %

(Lack of) seat belt-related fatalities 15/12 UP 25.0 %

Inattentive-related fatalities 12/3 UP 300.0 %

Alcohol/drug-related fatalities 12/10 UP 20.0 %

Pedestrian fatalities 14/8 UP 75.0 %

"Drivers need to carefully consider the main behaviours and actions that are linked to the many lives lost on our roads every year. Fatigue and prescription drug use are forms of impaired driving. Aggressive driving isn't just about speeding, it includes tailgating and other unsafe maneuvers. Distracted driving isn't just about cell phones, it's also about programming your GPS or eating behind the wheel. Safe drivers mean safe roads. Drive like your life depends on it, because it does."
-- OPP Chief Superintendent Rohan Thompson, Commander, Highway Safety Division.

During Canada Road Safety Week (May 12-18, 2020) the OPP is joining police services across Canada, ensuring drivers and other roads users are helping to keep roads safe.

QUICK FACTS

- A total of 335 people died in 304 fatal collisions on OPP-patrolled roads in 2019.
- The OPP responded to 74,771 collisions last year, marking a five-year high.
- Canada Road Safety Week supports Canada's Road Safety Strategy 2025.

OPP INVESTIGATING SUSPECTED DRUG OVERDOSES

(NORTHUMBERLAND, ON) – Between May 6 – May 9, 2020, members from the Northumberland Detachment of the Ontario Provincial Police (OPP) have investigated two suspected fatal overdoses within the County.

These overdoses certainly highlight the fact that the misuse and abuse of controlled substances is dangerous and can be deadly.

Fentanyl – is a powerful synthetic opioid pain reliever that is similar to morphine and is estimated to be 50 – 100 times stronger. Carfentanil – is a toxic synthetic opioid that is not intended for human consumption. Both of these opioids sometimes get mixed into street drugs which can cause serious health issues including death, even in small quantities.

If you suspect someone is overdosing or is in need of medical attention, immediately call 9-1-1 and stay with the victim.

At the centre of the OPP’s response to the opioid crisis is the spirit of the Good Samaritan Drug Overdose Act which is intended to save lives. It applies to anyone seeking emergency support during an overdose, including the person experiencing an overdose. The act protects the person who seeks help, whether they stay or leave from the overdose scene before the arrival of emergency first responders. The act also protects anyone else who may be at the scene when help arrives.

Individuals looking for local supports may contact their primary health care provider, FourCAST Addiction Services 905 377-9111, Northumberland County Mental Health Services 905 377-7784, or the Haliburton Kawartha Pine Ridge District Health Unit at 1 866 888-4577.

If anyone has information surrounding these overdose incidents, they are being asked to contact the OPP at 1 888-310-1122. Should you wish to remain anonymous you may contact crime stoppers by calling 1 800-222-8477 or at www.stopcrimehere.ca.

BICYCLE SEASON IS HERE - SHARE THE ROAD

(NORTHUMBERLAND, ON) – With the arrival of warmer temperatures upon us, the Northumberland Detachment of the Ontario Provincial Police (OPP) would like to remind motorists to be aware of the increased number of bicycles, motorcycles and all-terrain vehicles (ATV’s) that will be sharing our roadways.

Road safety is a shared responsibility. ATV riders should familiarize themselves with the bylaws within their respective Municipalities and Townships.

Cyclists and motorists all have the same rights and responsibilities and are expected to know and obey the rules of the road safely and appropriately.

Before you head out on a bicycle, learn what the rules of the road are, and some safety tips by visiting http://www.mto.gov.on.ca/english/safety/bicycle-safety.shtml

Motorists please remember to be extra vigilant, frequently check your blind spots and watch for increased pedestrian, bicycle and motorcycle traffic.

When everyone respects and follows the same rules, and exercises patience, safety is increased for all users of our streets and roadways.

- 30 -

The Ontario Provincial Police is committed to public safety, delivering proactive and innovative policing in partnership with our communities.

The Northumberland OPP values your contribution to building safe communities. If you have information about suspected unlawful activity, please visit Crime Stoppers at: www.stopcrimehere.ca or call 1-800-222-TIPS (8477).

SAFE BOATING COMES DOWN TO 5 DOS AND DON'TS –
OPP and CSBC Team Up for Safe Boating

(ORILLIA, ON) - With Safe Boating Awareness Week getting underway this weekend, the Ontario Provincial Police (OPP) is partnering with the Canadian Safe Boating Council (CSBC) to remind boaters and paddlers about the main dos and don'ts for getting through a safe boating season.

DO wear a life jacket. It doesn't suffice to just have one nearby on your vessel. The only safe life jacket is the one you're wearing.

In the last 10 years, 80 per cent of the people who died in OPP-investigated boating incidents were not wearing a life jacket. It is important for paddlers to wear them too as canoes and kayaks were among the top three vessel types involved in the fatalities over the last 10-year period.

Two people died last weekend (May 9, 2020) when their canoe capsized off Manitoulin Island. Neither of the paddlers was wearing a life jacket.

DON'T take your boat out if you've consumed any amount of alcohol or drugs. Even prescription drugs can impair your ability to safely navigate your vessel or deal with an emergency.

Almost 40 per cent of boating fatalities in the last 10 years involved alcohol or drugs.

DO be wary of the dangers of cold water immersion

In the last decade, 43 of the 229 boating fatalities occurred between the months of January and May, when water is either freezing or cold enough for hypothermia to set in.

DON'T take your boat out unless both you and your vessel are fully prepared. Every year, the OPP is called out to stranded boaters who failed to properly check their vessels and plan their trip.

Ensure your boat is properly equipped. Be sure to have sufficient fuel and only go out if the weather makes it safe to do so.

DO take a safe boating course. A boating course will educate you about keeping you and your family safe on the water.
During the week-long safe boating campaign, members of the OPP Marine Program will join marine partners across Canada as they conduct enforcement on waterways and educate boaters and paddlers about staying safe.

ALNWICK/HALDIMAND:

On Thursday May 21, 2020 at approximately 7:45 p.m., officers responded to a collision involving a farming tractor and yellow Jeep Wrangler at the intersection of Gully Road and Massey Road west of the village of Grafton.

When officers arrived at the collision site, they confirmed no injuries were sustained. Upon speaking with the driver of the Jeep, an odour of an alcoholic beverage was detected. A Roadside Screening Device was administered to the vehicle operator at the scene, resulting in a "fail". The driver was transported back to the OPP detachment in Cobourg for further testing. As a result of the investigation, a 25-year-old resident of Cramahe Township, Ontario, was arrested and charged under the Criminal Code of Canada with:

- Operation while impaired – alcohol and drugs

BRIGHTON:

On May 12, 2020, at approximately 10:55 p.m., officers were called to 39 Main Street, in Brighton, where ambulance was already on scene assisting a male victim who was involved in a fight with another unknown male. Witnesses described a blue 4-door Ford Focus pulled up on Main Street where the victim was sitting near the side of the road along with his girlfriend. A male driver exited the vehicle with two female passengers and began to physically fight. Both male and female victims sustained minor injuries.

During the course of the altercation the male suspect pushed the male victim into a store front window at 33 Main Street, belonging to Read and Green Bookstore, causing the window to break. Witnesses on scene began yelling at the parties to stop at which point the male suspect and two female suspects entered their vehicle and departed. A witness and deputy chief of the fire department in Brighton were
attempting to cross the street at that intersection and had to take evasive action in order not to be struck by the departing vehicle.

The altercation apparently began with a SnapChat conversation between two of the females, the parties used the location services on the application to find their location and attended the address for a fight.

The Municipality of Brighton was contacted to clean the glass in the street.
Witness videos (cell phones) are being used to as evidence for the on-going investigation.

On May 29th, 2020, at approximately 10:00 p.m., police responded to a call about weapons being shot on Smith Street, the Municipality of Brighton.

When officers arrived, the home seemed to be shot at many times with an airsoft or pellet gun. A smaller car, similar to a Cavalier was observed by the home owner when the loud shots were fired at the house. Two windows were slightly damaged and officers examined the surrounding area for further evidence.

The investigation is on-going.

**Cramahe:**

Just before 7:00 a.m. on Saturday May 2, 2020, officers responded to a single motor vehicle collision on County Road 2 near Brenscombe Road, located west of the Town of Brighton.

Officers arrived on scene and found a grey Chevrolet four door sedan on the north side of County Road 2 with severe damage within the perimeter of a cemetery at that location. The driver, who was the lone occupant of the vehicle, was found to be under the influence of alcohol and was transported to a local area hospital to be treated for injuries sustained as a result of the collision.

The 25-year-old resident of Quinte West, Ontario was arrested and charged with:

- Operation while impaired – alcohol and drugs
- Operation while impaired – blood alcohol concentration (80 plus)
- Drive while under suspension

On May 21, 2020, police stopped a grey Toyota four door sedan on County Road 25 at Purdy Road in Cramahe Township. Investigators seized cocaine, crystal meth, purple fentanyl, cannabis marihuana and other drug paraphernalia related to drug trafficking.

The 36-year-old female, resident of Cobourg, Ontario was arrested and charged with:
- Possession of a Schedule I substance for the purpose of trafficking – other drugs (2 counts)
- Possession of a Schedule I substance for the purpose of trafficking – Cocaine

**HAMILTON:**

Police are currently investigating the theft of an All Terrain Vehicle (ATV) from a residence on Danforth Road West, located in Hamilton Township.

The theft is believed to have occurred between **May 24, 2020** at 9:00 a.m. and May 25, 2020 at 7:00 a.m. The keys were reported to be in the ignition at the time of the theft.

The stolen ATV is described as:

- Year - 2001
- Make – Honda
- Model – Four Trax
- Colour – Orange with a light blue seat
- VIN – 478TE25651A103538
- PLATE – TV127

**PORT HOPE:**

On Sunday **May 24, 2020** at approximately 3:00 p.m., police received several calls from other motorists of a blue Kia SUV traveling at inconsistent speeds, and swerving into oncoming traffic southbound on County Road 45 heading towards Highway 401. Police located the vehicle travelling westbound on Highway 401 near Port Hope. Officers detected a strong odour of alcohol upon speaking to the driver. A roadside Approved Screening Device (ASD) was administered to the vehicle operator resulting in a "fail". The driver was arrested and transported back to the OPP detachment in Cobourg for further testing. The 55-year-old resident of Scarborough, Ontario has been charged with:

- Operation while Impaired – Blood alcohol concentration (80 plus)
- Operation while impaired - alcohol and drugs.

**TRENT HILLS:**

On Tuesday **May 19, 2020**, police received a call from a concerned citizen that a large black bear had been sighted recently on County Road 50 just outside of the town limits of Campbellford. It was reported that the bear had been observed going through garbage and gardens in the area.
Bear season is upon us and with it comes an increase in bear sightings in urban areas. As bears wake up after a winter of hibernation, they are faced with a scarcity of natural food sources, leading black bears to forage for food in garbage cans and bird feeders.

Most human-bear encounters occur when bears are attracted by smells, so removing potential attractants will help avoid unwanted visitors. Residents are reminded to practice these safety tips to prevent bears from wandering onto their property:

- Put garbage out to the curb-side only on the morning of collection
- Put away bird feeders, seed, suet or anything else that may attract the bears
- Store garbage in waste containers with tight-fitting lids
- Clean outdoor grills after each use, including the grease trap underneath.
- Store other pet foods indoors

On Friday **May 29, 2020** shortly after 11:30 a.m., officers conducted a traffic stop on County Road 30 between Myers Island Road and 5th Line West, after receiving a report from a concerned citizen regarding a possible impaired driver.

The driver of a white Dodge pick-up truck towing an enclosed black trailer was observed consuming what appeared to be alcohol by a fellow motorist. The vehicle was additionally described as being unable to maintain travelling in a marked lane.

The pick-up truck was located by police travelling north bound on County Road 30 just south of the town of Campbellford. Officers detected a strong odour of alcohol upon speaking to the driver and a roadside Approved Screening Device (ASD) was administered resulting in a "fail". The driver was arrested and transported back to the OPP detachment in Campbellford for further testing.

The 56-year-old man of Warkworth, Ontario has been charged with:

- Operation while Impaired – Blood alcohol concentration (80 plus)
- Have care or control of a vehicle with cannabis readily available
- Having care and control of a vehicle with unsealed container of liquor

**Northumberland County Wide**

**Ride:** There were 12 RIDE checks conducted during the month of May.

**911 Calls:** There were 27 dropped 911 calls during the month of May.
Matters of Interest – Northumberland Detachment

May 2020

Northumberland County

On Monday, May 4, 2020, OPP CSCU investigators, in conjunction with Cobourg Police Service and Port Hope Police Service entered into an investigation of suspected GTA gang members conducting drug trafficking activities within Northumberland County.

As a result of the investigation police executed a search warrant at a residence in the Town of Cobourg. Officers seized over $18,000 worth of cocaine and a large amount of cash, two male parties were arrested and charged accordingly.

On May 21, 2020, at approximately 11:00 pm Members of the OPP CSCU with the assistance of the Central Region Emergency Response Team, stopped a rental vehicle destined for the Village of Colborne.

A search was conducted and as a result police seized $7,000 of purple fentanyl, over $3,000 methamphetamine, and $1,000 of cocaine. A female passenger of the vehicle has been charged.

MEMORANDUM TO:

ALL MEMBERS

Re: Recent Protest Activity

The unjustified and criminal acts that led to the death of Mr. George Floyd have caused the public to question its trust and confidence in our profession. There are members within the Ontario Provincial Police (OPP) and the communities we provide policing services to who are hurting, and feeling frustrated and outraged. It is important for us as an organization to have the courage to openly discuss these types of incidents in a respectful, compassionate and professional manner. It has become clear that in order to maintain the trust and confidence of our communities, and in support of our members, we must not only speak out against racist behaviour, but listen to what Ontarians are telling us and ensure that our actions align with our words by exemplifying our values of interacting with respect, compassion and fairness — something I believe our members do every day.

Over the course of the last few days, we have witnessed anti-racism demonstrations expanding from urban centres to jurisdictions policed by the OPP, and we are reminded of our responsibility and duty to respect the right of everyone to freedom of expression and peaceful assembly. Our role is to ensure public safety and to keep the peace. In many of these instances, the OPP Provincial Liaison Team will work with groups to provide a safe and peaceful opportunity for demonstrators to exercise their constitutional rights.

This is a unique time in which the rights of freedom of expression and movement must be considered against the current public health recommendations of physical distancing and the emergency orders in the province. Our primary duty is to preserve the peace, maintain public safety and investigate unlawful activity. Members should use their discretion and judgement to consider all circumstances and balance it against the rights of the public to peacefully demonstrate.
Recent Protest Activity
Page two

In closing, I wish to reiterate again that racism and racial discrimination have no place in policing. The event that occurred in Minneapolis with George Floyd was unconscionable and unacceptable. There should never be any doubt that the OPP stands only for our values and equal respect for all. This is an opportunity to be mindful of our biases and work towards a truly inclusive, authentic workplace and community with equal freedoms and treatment for all.

Thomas Carrique, M.O.M.

June 8, 2020

Dear Mayor / Worship,

**Re: Change in security check and revenue distribution processes**

The Ontario Provincial Police (OPP) is doing our part to help reduce the risk of spreading COVID-19 by restricting access to detachments across the province. We have already taken the step of limiting the processing of routine security checks (criminal record checks/vulnerable sector checks) by detachment staff. We are committed to processing security checks deemed to be necessary, or for emergency circumstances, and mitigating any potential COVID-19 related health risks, as much as possible.

In late April 2020, the OPP adopted a new procedure for processing emergent security checks that reduces the risk to applicants and improves on the efficiency of the process by:

- Moving the security check application form to an online submission, reducing applicants’ detachment visits to one visit in most circumstances; a visit to pick up the completed security check.
- Centralizing the vetting of applications for emergent needs and oversight of the process.
- Providing applicants access to a paperless payment method to a provincial Point of Sale terminal over the phone, further reducing the risk of potential exposure to a COVID-19 transmission vector.

Under the new process, applicants will make their payment over the telephone to detachments that currently have provincial Point of Sale machines. The funds will be deposited directly to the Consolidated Revenue Fund (CRF) of the provincial government in accordance with the Financial Administration Act, RSO 1990. Security check revenue is tracked to ensure these funds are allocated to the municipality where applicants reside.

Revenue will be credited back to municipal policing accounts quarterly throughout the year. The credit will be provided to municipalities approximately two months after the end of the quarter (May, August, November, and February). The credit process for 2020 is impacted by the in-year implementation of the new process and details on the timing of the credit will be provided to municipalities in future correspondence.

All revenue collected by OPP detachments for security checks, finger prints and reports provided to the public for a fee will follow this process to ensure compliance with the FAA.
Should you have any further questions regarding this process please email OPP.MPB.Financial.Services.Unit@opp.ca. Members of the public can find the most up-to-date information on obtaining a record check by visiting www.OPP.ca.

Yours truly,

Phil Whitton
Superintendent
Bureau Commander
Municipal Policing Bureau
