Project Outline:

Please provide an overview of the proposed project.

The Apple Blossom Tyme Festival is an outdoor street event that has been hosted in Colborne for over three decades.

It is host to a variety of activities for all ages, entertainment, as well as a diverse and exciting range of vendors.

Objectives:

Please provide a brief description of the projects' objectives to be achieved and how this project meets the objectives outlined in this policy.

The Apple Blossom Tyme Festival is committed to providing a welcoming event space with entry and most of our activities being free-of-charge.

The festival contributes to the overall health of the community as well as our local businesses by attracting large crowds to the downtown core. The increased exposure as well as advertising opportunities can truly highlight our township's unique small business-based economy.

Economic Benefits:

Describe the benefits of the project to the local economy.

- Provides exposure for local downtown businesses
- Attracts residents from out of area, bringing in new revenue sources and highlighting our community
- Facilitates a market area for local vendors that may not have physical store fronts
- Builds a sense of enthusiasm and recognition within the community, potentially leading to investments in other parts of our local economy

What is the projected number of Cramahe residents that this funding would benefit?

The funding would at a minimum benefit the visitors to the festival, which is estimated to be around 1,000+ for the year 2026.

It will cover everything from washrooms to security needs.</p> <p>With a reduction in private donations in comparison to previous years, this funding will help the committee continue to host the event in 2026, and years beyond.</p>
