Project Outline:

Please provide an overview of the proposed project.

Project Site: Strawberry Lane; 0.6 km in length, servicing 7 permanent households and 5 households with easement rights

Project Overview: Insuring year round road maintenance and safe winter access, specifically winter snow plowing and seasonal road repairs (pot hole repairs and grading)

Request from Township: Operating Support Grant (monetary contribution)

Objectives:

Please provide a brief description of the projects' objectives to be achieved and how this project meets the objectives outlined in this policy.

Objective aligns with Cramahe Township Public Works Department mission... work to keep Township communities safe, accessible and well-maintained.

- properly maintain year round access for local residents (snow removal, drainage)
- provide reliable/safe access for Emergency Services (including utilities and other)
- provide reliable/safe access for contracted Caregivers that support ailing seniors

Economic Benefits:

Describe the benefits of the project to the local economy.

While this is a not a revenue generating or cultural/recreational project for the township as a whole, it does support the infrastructure, health and welfare of people within a local community.

What is the projected number of Cramahe residents that this funding would benefit?

Directly: 7 permanent households and 5 households with easement rights

Indirectly: local EM Services, community based public utilities, local tradesmen, delivery vehicles, family and caregivers
